## Getting Ready

### Apple iPhone or iPad or Computer

Go to the "App Store"

Search for and install the free app: **ZOOM Cloud Meetings**

That's it!

### Android Phone

Android – go to "Google Play"

Search for and install the free app: **ZOOM Cloud Meetings**

That's it!

### Windows Computers or Tablets

Unfortunately, the ZOOM Cloud Meetings app is not in the Microsoft Store.

Here is the way you get Zoom installed:

- Click on the web link in the invitation.  
It looks like this:

Join Zoom Meeting

<https://us04web.zoom.us/j/857928500>

- Your web browser will start automatically.
- You will see a message appear near the top that says:

"Open zoom us?

<https://success.zoom.us> wants to open this application."

- Click on: "Open zoom.us"
- Here is a video that shows this process on Apple iOS, but it is the same for Microsoft Windows.

### Google Chromebook

- Go to the "Chrome Web Store"
- Search for "Zoom"
- Click the "Add to Chrome" button

## Connecting to Zoom Meetings

### **Regular (non-rotary) Phone**

There is nothing you need to do to get ready.

### **Joining a Meeting**

#### **Regular (non-rotary) Phone**

You need two things: a Meeting ID and a number to call.

Dial by your location

+1 438 809 7799 Montreal

+1 587 328 1099 Alberta

+1 647 374 4685 Toronto

+1 647 558 0588 Toronto

+1 778 907 2071 British Columbia

Meeting ID: 857 928 500

Any of those numbers can get you to the meeting, but some have a French recording. If you don't speak French, hang up and try a different number.

You will be asked for the Meeting ID, and if there is one, the password.

*Please note that long distance charges will apply if you do not see (Toll free) beside the number.*

### **All Other Devices**

Once the Zoom app is on your device, start it up and supply the Meeting ID and, if there is one, the password.
